Qualifying, judging & measuring impact

Preliminary eligibility

- ✓ Age bracket — to be confirmed
- ✓ Akwa Ibom / LGA eligibility
- ✓ Educational background
- ✓ Communication ability
- ✓ Basic knowledge of the State
- ✓ Availability for the 365-day role

Full-time undergraduate participation is a policy decision to be confirmed — not an automatic exclusion.

Judging structure

7–9

judges at each major selection stage

- ✓ A healthy mix of indigenes and non-indigenes with sector experience in entertainment.
- ✓ Breadth & comparability
- ✓ Objectivity & moderation
- ✓ Transparent scoring

Detailed Grand Finale matrix retained; simpler elimination framework at LGA / Senatorial stages.

Impact tracking

- ✓ Support received & intended use
- ✓ Business started or expanded
- ✓ Skill / certification acquired
- ✓ Community initiative undertaken
- ✓ Other measurable improvement

Feeds year-round media, Government impact reporting and the next edition — reinforcing the 365-day platform.

Five Stages · $\approx 93 \rightarrow 31 \rightarrow$ Winner

From application to a world-class finale, with dates embedded. Intermediate dates are proposed, pending final confirmation.

PROGRAMME TIMELINE · SEP $\rightarrow$ DEC 2026

A pageantry that promotes the destination, not just the pageant

Tourism

31 LGAs, festivals & hospitality marketed statewide.

Culture

Language, dance, food & crafts — heritage kept alive.

Creative Economy

Designers, stylists, artisans & artists win commissions.

Empowerment

Leadership, enterprise, ambassador training & grants.

Media Value

Year-round content for sponsors, media & diaspora.

ECONOMIC ACTIVITY AROUND CULTURE — & A 365-DAY EMPOWERMENT PLATFORM

Every wrapper, bead, hairstyle and shoe is a local commission — tailors · bead makers · hairstylists · raffia workers · shoemakers · makeup artists · textile merchants · photographers · MSMEs.

Measured, not one-off: support received, businesses started, skills gained and community projects are tracked through the year and showcased at the next edition.

More than a pageantry — a cultural experience

Mbopọ theatre — the meaning of the tradition

Music, comedy & cultural performance

Indigenous & modern fashion showcase

Destination storytelling & tourism film

The crowning — queen & two maidens

One queen. One State. Every community represented.

Commission-led, delivered through partners

One governance framework with clear ownership — and sponsorship mobilisation begins immediately, in parallel with programme mobilisation.

Steering Committee

Oversight, approvals & stakeholder coordination.

Production Secretariat

Applications, contestants, logistics & production.

Cultural Advisory Panel

Attire, language, performance & heritage integrity.

Empowerment Partners

Training, mentorship & post-pageant development.

APPROVAL → GRAND FINALE · SPONSORSHIP RUNS IN PARALLEL FROM DAY ONE

SPONSORSHIP OUTREACH ► CONTINUOUS

✓ **Not starting from zero:** an existing website adapts to the programme and links to the Commission; a backend secretariat is identified; initial organisation has begun.

Where the finalists will camp

With Ibom Hotel, Golf & Country Club closed, we have shortlisted three ready alternatives for the ~10-day residential camp — assessed on rooms, space and ambience.

RECOMMENDED 146 rms Four Points by Sheraton  Ikot Ekpene · ~25 min from Uyo ✓ 146 rooms over 11 floors — ample capacity ✓ Ballroom + 4 event spaces for camp sessions ✓ Pool, gym & dining on-site; State-linked asset	HAS LAND SPACE 54 rms Aiku Luxury Hotel & Resorts  Uyo · ~20 min from Airport ✓ 3.5/4-star semblance; pool, spa, gym ✓ Land space for marquees / activities ⚠ 54 rooms — needs overflow arrangement	CAPACITY ONLY 109 rms Ceedapeg Hotel  Uyo ✓ 109 rooms — good headline capacity ⚠ No dedicated activity space ✗ Ambience 3.5-star semblance could be below programme standard

Cost Build I — prizes, camp, planning, hospitality & selections

The eight largest line items, largest first — each with its basis of estimate and control logic. Figures reconcile to the working budget.

COST LINE / AMOUNT		BASIS OF ESTIMATE	WHY REQUIRED / CONTROL LOGIC
1	Cash prizes & finalist empowerment ₦36.0m	28 × ₦0.5m = ₦14m; 2nd r-up ₦5m; 1st r-up ₦7m; winner ₦10m. Vehicle handled separately as a decision.	Transparent, arithmetic-based prizes for all 31 finalists. The winner's vehicle is treated as a Government decision (Cash+Car / Cash / Car+adjusted) and, if provided in-kind/sponsor-backed, sits outside this cash line.
2	Bootcamp lodging & feeding ₦30.0m	31 contestants × 10 core days — all-in lodging & feeding at partner-hotel rates (post-Ibom Hotel closure).	All-in residential rate for lodging and meals; partner-hotel rates expected. Any extension toward 14 days is met by in-kind sponsorship or approved reallocation, not new cash.
3	Secretariat & strategic planning ₦30.0m	Combined governance and specialist-planning allocation: secretariat, controls, faculty and whole-person training.	State-side control room plus specialist delivery: approvals, procurement, finance/LGA liaison, standards, faculty, QA and grooming behind the whole-person standard. One consolidated line — no separate fee.
4	VIP hospitality & refreshments ₦12.0m	Provisional VIP/dignitary refreshment allowance for the Grand Finale — not mass catering.	Closes the previously-unprovided hospitality gap. Can be offset by premium table sales (~₦1m/table); table income is not double-counted against this line.
5	Ward screening + 31 LGA Selections ₦15.0m	31 LGAs — controlled average allocation per LGA.	Local mobilisation, audition setup, admin/judging support and movement across every LGA. Uses existing LGA structures and partner support rather than 31 full-scale productions.
6	Finale venue & guest experience ₦12.0m	1,500-guest planning basis: venue, seating, protocol and ushers.	Assumes a State/partner venue rate. Venue is separated from stage/technical production so each is competitively negotiated and duplicated scope avoided.
7	Stage, sound, LED & effects ₦10.0m	Controlled technical production package for the flagship finale.	Core spectacle infrastructure — competitive-procurement with scope lock, equipment schedule and reuse/rental discipline. A leaner, tightly-specified build.
8	Senatorial Selections ₦6.0m	3 zones — Eket, Ikot Ekpene and Uyo.	Concentrates regional production into three tourism-facing showcases; generates destination content before the finale without replicating major-event cost in every LGA.

Cost Build II — finale production, media, digital, security & logistics

The remaining seven line items, completing the fully-costed programme.

COST LINE / AMOUNT		BASIS OF ESTIMATE	WHY REQUIRED / CONTROL LOGIC
9 Media campaign & advertising	₦10.0m	Consolidated paid-media buy across digital, radio and print; partner/earned rates prioritised.	A single controlled media line carrying the statewide call for contestants across all 31 LGAs. Spend tied to reach, applications, engagement and voting conversion.
10 Destination branding & profiles	₦15.0m	Fixed mobile content-production package.	Contestant destination profiles, tourism challenges, photography/video and editing create Commission-owned assets for year-round marketing.
11 Show mgmt & rehearsals	₦5.0m	Fixed event-operations package.	Rehearsals, backstage, stage management, entertainment and live run-of-show. Implements approved planning; no duplication of strategy or QA.
12 Entry / voting digital platform	₦3.0m	Fixed technology package: website, entry portal, voting, payment gateway, backend, reporting.	Revenue-linked infrastructure with auditable voting/payment records. A direct IGR channel — treated as a revenue centre, not a publicity cost.
13 Live streaming & media	₦10.0m	Lean broadcast/streaming package plus press/media relations.	Streaming follows contestants to LGA touchpoints and festivals. Nationwide TV uplift sought through partnership.
14 Dedicated security & protocol	₦5.0m	Supplemental risk-based allocation for the travelling unit and finale.	Not a duplicate of the State's general security vote. Supplemental, site-specific escort for activations, camp and festivals.
15 Contestant / crew logistics	₦10.0m	Fixed lean transport and operations allocation.	Pooled vehicles, fuel, transfers and route operations across LGAs. Controlled by manifests, requisitions and retirements.

Every line, reconciled

Complete, fully-costed programme; nothing hidden. Biggest first. All figures reconcile to the working budget.
